

# Stewart Farm's Award Winning **Daily Grape**

Sativa Leaning Hybrid

THC 25-32%

**Daily Grape** is the product of an extensive, year-long pheno-hunt conducted by our Head Grower & Director of Cultivation — Genevieve Newton (@missnewtygrows).

After popping 300 seeds, and sifting through 160 unique cultivars, Stewart Farms' Daily Grape stood out as the dankest contender, with heavy terps, high THC, and gorgeous purple buds.

## Flower Profile:

This sativa-leaning experience will energize your mind and body with the uplifting and energizing effects that people love. Daily Grape's shiny nugs carry a deep purple tint to them, they smell fruity, sweet, and dare we say grapey! These dense, frost covered, buds burn smooth, and you'll be greeted by an explosion of flavour that will have you coming back. . .

Daily. . . For your Grape. . .

Hence the name. . . Well, you get it. . .

### Why we love it:

Non-irradiated, living soil grown

Pesticide free

Hung dried, hand trimmed

### Terpenes:

Beta-Caryophyllene

Limonene

Linalool

### Recognition:

2023 | 2nd place for Best in Grow (Sativa) Cannabis NB Cup

2023 | 6th place for Best Flower in GrowUp's Cannabis Cup

2022 | 3rd place for Best Flower in GrowUp's Cannabis Cup
