## Product Overview:

*Featuring a subtle but invigorating scent,  
reminiscent of fresh forest air.*

Inspired by the ancient practice of forest bathing, our **Evergreen Forest** bath bomb is meticulously crafted to recreate the essence of a lush, serene woodland.

- 100mg of CBD
- Fully biodegradable, child resistant packaging
- Formulated with pure essential oils
- Loaded in moisturizing plant butters
- Handcrafted with love by incredible humans

## Key Ingredients:

**Fir Needle** essential oil is known for its pain reducing qualities and respiratory system support. It has historically been used to soothe sore throat and respiratory infections, fatigue, muscle aches and arthritis.

**Copaiba Balsam Oil** is revered for its anti-inflammatory and aphrodisiac qualities.

**Benzoin** is a resin with a vanilla aroma with astringent and moisture retention qualities which improve skin tone and overall complexion.
