

Turmeric + Arnica Recovery Balm

250mg CBD / 250mg
Net weight 30g

*Botanically blended + highly moisturizing
Quick-absorbing, non-greasy
Apply generously, where and as needed*

Product Overview:

Featuring a warming blend of ayurvedic herbs used for centuries to combat pain, tension and discomfort. This terpene-laden balm contains **wintergreen, lemongrass, frankincense, peppermint, eucalyptus** and **black pepper** to provide deep penetrating, long-lasting relief.

Key Ingredients:

Wintergreen has analgesic and anti-inflammatory properties and is a well-known topical pain reliever.

Lemongrass is an antioxidant oil with anti-inflammatory properties that is reputed to soothe and relieve tired and overexerted muscles.

Turmeric extract has been shown to prevent and reduce joint inflammation and is believed to strengthen immune function.
